	12:00am-12:15pm	Evolution of urban planning approaches for growing megacities: a perspective from spatio-economic interaction Zhen Huang, Bo Huang, Chinese University of Hong Kong
	12:15pm-12:30pm	Impact of the Past Urban Development Projects on the Environmental Infrastructure in Large Industrial Zone and Adjacent Areas: A Case Study of Kawasaki Sea-side Industrial Zone Yoshiki Mishima, Dept. of Urban Engineering, The University of Tokyo

2011-09-03, 11:15am—12:30am, Session B1 of IUSAM 2011

Date	Time	Programs
2011-9-3 11:15am-12:30pm	Session B1: Urban Design, Multi-Function Hall, Architecture Building Chair: Prof. Vera Luchkova, Pacific National University	
	11:15am-11:30am	Transitions from Theory to Practice in Urban Design Movements: Application of the Model-Prototype-Adaptation Framework to New Urbanist Neighborhood Development Practices Jaechol Kim, Seoul National University
	11:30am-11:45am	Study of changes in the scale of architectural details in a modern design Maria V. Bartoshuk, Pacific National University
	11:45am-12:00am	Study on the Significance of Site-Oriented Workshops in Environmental Design Education Mariko Inoue, Keio University
	12:00am-12:15pm	Measuring responsiveness of modern and traditional urban developments: Rockwell Center and Barangay Poblacion, Makati Prof. Alex Ray P. Evangelista, Dolores T. Madrid, College of Architecture, University of the Philippines
	12:15pm-12:30pm	Open Space System Approach of the Burnham Plan of Manila Nappy L.Navarra, Mikiko Ishikawa, The University of Tokyo

Department of Urban Planning, School of Architecture, Tsinghua University,
 No.1 Qinghuayuan Street, Haidian District, Beijing 100084
 Tel: +86-10-62795493 / Fax: +86-10-62783328

2011 INTER-UNIVERSITY SEMINAR on ASIAN MEGACITIES

Chinese University of Hongkong - Cheng Kung University - Dalian University of Technology
 Hanyang University - Keio University - Pacific National University- Seoul National University
 Taiwan University - Tsinghua University - University of the Philippines - University of Tokyo

2011-09-03, 13:30pm—15:30pm, Session A2 of IUSAM 2011

Date	Time	Programs
2011-9-3		Session A2: Landscape Planning , Wang Zesheng Hall, Architecture Building Chair: Prof. Zenaida Galingan , University of the Philippines
13:30pm-15:30pm	13:30pm-13:45pm	A study on sustainable watershed planning of the Pacific islands: Case study at Babeldaob Island, Republic of Palau Akiko Iida, S. Osawa, M. Ishikawa, University of Tokyo
	13:45pm-14:00pm	Research on Conservation of Linpan Culture Landscape by Planning and Designing: Taking Sanba-xiang, Dayi County as a case study Fei Xue, Zhan-Qiang Zhu, Tsinghua University
2011-9-3	14:00pm-14:15pm	Hagonoy Waterways: The Dwindling Legacy Reclaiming the Natural Course of Rivers and its Tributaries Melodia Ramos-Sampan, Zenaida Galingan, University of the Philippines
13:30am-15:30pm	14:15pm-14:30pm	Research on the influence of Tourism on the greenbelt of megacity in China — take the cultural Landscape of West Lake in Hangzhou as example Ding Shi, Mikiko Ishikaw, The University of Tokyo
	14:30pm-14:45pm	The Changing Landscape of UP Diliman: A Study on the Effects on the Mobility of Its Students Anna Talia S. Basman, Zenaida Galingan, University of the Philippines
	14:45pm-15:00pm	Ecotourism Based Study on Conservation Mode of Cave Dwelling Village Culture Landscape: Taking Gaoxigou Village in Northern Shaanxi as a Case Yan Zhang, Zhanqiang Zhu, Anrong Dang, Tsinghua University
	15:00pm-15:15pm	A Study on Publicity of Café Terraces in Seoul Kim Min Hye, Ahn Kun-Hyuck, Seoul National University
	15:15pm-15:30pm	Study on Landscape planning based on Watershed Unit in Metropolitan area Yukiko Katagiri, Mikiko Ishikawa, The University of Tokyo

2011-09-03, 13:30pm—15:30pm, Session B2 of IUSAM 2011

Date	Time	Programs
2011-9-3		Session B2: Hosing and Architecture , Multi-Function Hall, Architecture Building Chair: Prof. Natalia Kozyrenko , Pacific National University
13:30pm-15:30pm	13:30pm-13:45pm	Intertemporal Changes of Housing Demand for Aged Household Kibum. Song, Chang-Moo. Lee, Hanyang University
	13:45pm-14:00pm	The role of traditions in the modern dwelling architecture of East & Europe Alexandra Yakushenko, Vera I. Luchkova, Pacific National University

Department of Urban Planning, School of Architecture, Tsinghua University,
 No.1 Qinghuayuan Street, Haidian District, Beijing 100084
 Tel: +86-10-62795493 / Fax: +86-10-62783328

2011 INTER-UNIVERSITY SEMINAR on ASIAN MEGACITIES

Chinese University of Hongkong - Cheng Kung University - Dalian University of Technology
 Hanyang University - Keio University - Pacific National University- Seoul National University
 Taiwan University - Tsinghua University - University of the Philippines - University of Tokyo

Date	Time	Programs
	14:00pm-14:15pm	A Study on the Exploitation of Fishery and Fishermen's Settlement in Hokkaido: Transformation of Kotan and Oshorkot in Edo Era Yuka Tonozaki, Akimi Matsushita, et al, Fuji Women's University
	14:15pm-14:30pm	The courtyard housing in traditional architecture of China & other countries Alexey Kuzmin, Vera I. Luchkova, Pacific National University
	14:30pm-14:45pm	Evaluation and Selection of Small and Medium-Sized Commodity Housing Units: Taking 90m ² Commodity Housing Units in Wuhan City as a case Hongmei Kong, Haoying Han, Zhejiang University
	14:45pm-15:00pm	Orthodox religious architecture Transbaikalia in the end of XVII - beginning of XX century: stylistics, typology, classification Anastasia Budanova, Nikolay P. Kradin, Pacific National University
	15:00pm-15:15pm	New Town Project Period and Its determinant factors Sung-Gun Cho, Sang-Kuk Choi, Jin-Yoo Kim, Kyonggi University
	15:15pm-15:30pm	The Church of St. Sophia in Harbin: its prototypes and analogs Mazanova Iana, Kradin Nicholas P., Pacific National University

2011-09-03, 16:00pm—18:00pm, Session A3 of IUSAM 2011

Date	Time	Programs
2011-9-3	Session A3: Urban Study , Wang Zesheng Hall, Architecture Building Chair: Prof. Yue Fan , Dalian University of Technology	
16:00pm-18:00pm	16:00pm-16:15pm	Analyzing consumers' purchasing behavior and key factors in choosing large-scale discount stores Jin-Ho. Lee, Chang-Moo. Lee, Hanyang University
	16:15pm-16:30pm	Spatio-temporal Analysis of Land Use Change: Shenzhen as a Case Study Biao Liu, Chinese University of Hong Kong
	16:30pm-16:45pm	Learning from the monitoring and evaluation (M&E) of Japan's ODA-funded urban development projects in the Philippines, Sri Lanka & Indonesia Prof. Romeo B. Santos, University of the Philippines
	16:45pm-17:00pm	Driving Forces of Cultivated Land Change in Wuhan City Xueying Li, Han Haoying, Zhejiang University
	17:00pm-17:15pm	New town and suburb's self sufficiency, centrality change process through analysis of purchasing behavior Lee Minseok, Lee Jinho, Roh Changrae, Hanyang University
	17:15pm-17:30pm	The Preliminary Research of Water Resource Crises on Water-saving Society applied to Jing-jin-ji Area Sandra M. Y. Lee, Zhanqiang Zhu, Tsinghua University
	17:30pm-17:45pm	The effect of retail environments on Super supermarkets' performance Kwon Kyung Woo, Lee Changmoo, Hanyang University

Department of Urban Planning, School of Architecture, Tsinghua University,
 No.1 Qinghuayuan Street, Haidian District, Beijing 100084
 Tel: +86-10-62795493 / Fax: +86-10-62783328

2011 INTER-UNIVERSITY SEMINAR on ASIAN MEGACITIES

Chinese University of Hongkong - Cheng Kung University - Dalian University of Technology
 Hanyang University - Keio University - Pacific National University- Seoul National University
 Taiwan University - Tsinghua University - University of the Philippines - University of Tokyo

Date	Time	Programs
	17:45pm-18:00pm	Escolta: From a high Street to a Dead Street: Users' Perception of the Historical High-End Commercial Street of Binondo Mar Lorence Ticao, Michael V. Tomeldan, University of the Philippines

2011-09-03, 16:00pm—18:00pm, Session B3 of IUSAM 2011

Date	Time	Programs
2011-9-3		Session B3: Urban Traditional, Multi-Function Hall, Architecture Building Chair: Prof. Jose Danilo Silvestre, University of the Philippines
16:00pm-18:00pm	16:00pm-16:15pm	Urbanization of Traditional Settlement in Mekele, Ethiopia Nobuhiro Shimizu, Rumi Okazaki, et al, Keio University
	16:15pm-16:30pm	Imeldific Modernism: Vernacular Renaissance and the Quest for Philippine Modern Architecture Prof. Gerard Lico, University of the Philippines
	16:30pm-16:45pm	Method of Building Heritage Corridor Recreation Spaces Yang Chen, Anrong Dang, et al, Tsinghua University
	16:45pm-17:00pm	Orthodox churches in the Russian Far East architecture (end of the XX-th – beginning of the XXI-st centuries) Elina Podoyunitsyna, Nikolay P. Kradin, Pacific National University

	17:15pm-17:30pm	Pedestrianization of the Pugad Lawin Shrine: Promoting a Viable Historical Tour Destination Cecilia S. Villanueva, University of the Philippines
	17:30pm-17:45pm	A Study on the Trading Ports and Posts in African Red Sea Area Reevaluation of Caravan Route and its Architectural Heritage Rumi Okazaki, Keio University
	17:45pm-18:00pm	A Research on the Changes of Urbanization Promoting Area to Urbanization Control Area as Green Space Preservation Policy –Based on the Survey of Kanagawa Prefecture, a Part of Tokyo Metropolitan Yuta Negishi, Mikiko Ishikawa, The University of Tokyo

2011 INTER-UNIVERSITY SEMINAR on ASIAN MEGACITIES

Chinese University of Hongkong - Cheng Kung University - Dalian University of Technology
 Hanyang University - Keio University - Pacific National University- Seoul National University
 Taiwan University - Tsinghua University - University of the Philippines - University of Tokyo

2011-09-04, 08:30am—10:10am, Plenary Session of IUSAM 2011

Date	Time	Programs
2011-9-4		Plenary Session of IUSAM 2011, Wang Zesheng Hall, Architecture Building Chair: Prof. Riichi Miyake, Fuji Women's University
08:30am-10:10am	08:30am-08:55am	A Study on the Relief System for the Evacuees after the Earthquake and Tsunami off the Pacific Coast of Tohoku in 2011: (1)Set-up and Management of Evacuation Facilities Prof. Riichi Miyake, Yoshinori Harano, et al, Fuji Women's University
	08:55am-09:10am	A Study on the Relief System for the Evacuees after the Earthquake and Tsunami off the Pacific Coast of Tohoku in 2011: (2) Installation of a paper tube partition system for the evacuation facility Yasunori Harano, Nahoko Wada, et al, Fuji Women's University
	09:10am-09:25am	A Study on the Relief System for the Evacuees after the Earthquake and Tsunami off the Pacific Coast of Tohoku in 2011(3): Usage of Paper Tube Partition System by Evacuees in Yamagata Nahoko Wada, Yasunori Harano, et al, Fuji Women's University
	09:25am-09:40am	A Study on the Relief System for the Evacuees after the Earthquake and Tsunami off the Pacific Coast of Tohoku in 2011(4): Phase-based Classification of the Spatial Usage inside the Evacuation site Minori Aoyama, Yasunori Harano, et al, Keio University
	09:40am-09:55am	A Study on the Relief System for the Evacuees after the Earthquake and Tsunami off the Pacific Coast of Tohoku in 2011(5): Relief Activity for Evacuees from Remote Area and its Disturbing Factors from the view-point of Public-Volunteer Partnership Akimi Matsushita, Yui Ichioka, et al, Keio University
	09:55am-10:10am	Discussion about the Earthquake and Tsunami Prof. Riichi Miyake, Fuji Women's University

2011-09-04, 10:30am—12:30pm, Session A4 of IUSAM 2011

Date	Time	Programs
2011-9-4		Session A4: Technical Method, Wang Zesheng Hall, Architecture Building Chair: Prof. Mikiko Ishikawa, The University of Tokyo
10:30am-12:30pm	10:30am-10:45am	Framework in Agent-based Model for Solar Diffusion Analysis Prof. Tomoki Kobayashi, Keio University
	10:45am-11:00am	Spatial Differentiation in Land Compensation: Evidence from Heilongjiang Shuai Sun, Haoying Han, Zhejiang University
	11:00am-11:25pm	Review of VR Application in Digital Urban Planning and Managing Anrong Dang, Wei Liang, Wei Chi, Tsinghua University

Department of Urban Planning, School of Architecture, Tsinghua University,
 No.1 Qinghuayuan Street, Haidian District, Beijing 100084
 Tel: +86-10-62795493 / Fax: +86-10-62783328

2011 INTER-UNIVERSITY SEMINAR on ASIAN MEGACITIES

Chinese University of Hongkong - Cheng Kung University - Dalian University of Technology
 Hanyang University - Keio University - Pacific National University- Seoul National University
 Taiwan University - Tsinghua University - University of the Philippines - University of Tokyo

Date	Time	Programs
	11:25am-11:40am	Method for the Evaluation of Photovoltaic Energy potential in Urban Residential Areas Yuki Manabe, Tomoki Kobayashi, et al, Keio University
	11:40am-11:55am	Simulation in CFD with real geographic information Chunxiao Zhang, Hui Lin, Chinese University of Hong Kong
	11:55am-12:10am	Preliminary Study on the State Land Supervision System for Economical and Intensive Land Use in China Kun Wei, Haoying Han, Zhejiang University
	12:10am-12:25pm	Urban Sensing with People-centric: Understanding Interaction in the Reality and Virtual World Guibo Sun, Hui Lin, et al, Chinese University of Hong Kong

2011-09-04, 10:30am—12:30pm, Session B4 of IUSAM 2011

Date	Time	Programs
2011-9-4		Session B4: Urban & Architecture, Multi-Function Hall, Architecture Building Chair: Prof. Prof. Romeo Santos, University of the Philippines
10:30am-12:30pm	10:30am-10:45am	A study on the Places where Street Performance occur in Seoul Lee Seung Hoon, Ahn, Kun-Hyuck, Seoul National University
	10:45am-11:00am	A Study on Regional Inequality of Hospital Accessibility in Japan Prof. Tomoyuki Furutani, Keio University
	11:00am-11:15pm	Masonic architecture Mozhaeva Alina, Pacific National University
	11:15am-11:30am	The effects of street environment shaped by concentrated multi-family houses with Pilotis on pedestrians' Fear Lee Soh Yean, Kim Jea Cheol, et al, Seoul National University
2011-9-4	11:30am-11:45am	MAKE OR WRECK: Vegetations in Heritage Architectural Ruins Juanito M. Malaga, Zenaida C. Galingan, University of the Philippines
10:30am-12:30pm	11:45am-12:00am	Stylistic deconstructions of architecture of Harbin Karpusenko Elena, Kozyrenko Natalya E, Pacific National University
	12:00am-12:15pm	The effects of a commercial complex on pedestrian behavior in commercial districts - Focused on the Myeong-dong Area, Seoul Hwang Ji-Hyon, Ahn Kun-Hyuck, Seoul National University
	12:15pm-12:30pm	Negative influence of karst and suffosion cavities on Russian megacities development Ilia Farmakovskii, Vera I. Luchkova, et al, Pacific National University

Department of Urban Planning, School of Architecture, Tsinghua University,
 No.1 Qinghuayuan Street, Haidian District, Beijing 100084
 Tel: +86-10-62795493 / Fax: +86-10-62783328

2011 INTER-UNIVERSITY SEMINAR on ASIAN MEGACITIES

Chinese University of Hongkong - Cheng Kung University - Dalian University of Technology
 Hanyang University - Keio University - Pacific National University- Seoul National University
 Taiwan University - Tsinghua University - University of the Philippines - University of Tokyo

2011-09-04, 13:30pm—15:30pm, Special Session of IUSAM 2011

Date	Time	Programs
2011-9-4		Special Session of IUSAM 2011 , Wang Zesheng Hall, Architecture Building Chair: Prof. Wanglin Yan , Keio University
13:30am-15:30am	13:30am-13:55am	Design and Practice of Multi-disciplinary Post-graduate Programs on Climate Change Wanglin YAN, Keio University
	13:55am-14:10am	The influence of warming on architecture and town-planning in the conditions of permafrost on the north of Russia Alexander Blyum, Vera I. Luchkova, et al, Pacific National University
	14:10am-14:25am	Hierarchical Evaluation of the Impact on Thermal and Wind Environment by Urban Development Based on Blocks -A Case Study of Kyobashi District, Chuo Ward, Tokyo Chika Takatori, Mikiko Ishikawa, The University of Tokyo
	14:25am-14:50am	Rural Design for the Revitalization of Declining Communities: Rural-rural Mutual Support: Japan 3.11 Workshop in Minami-sanriku and Tane, Japan Prof. Hiroto Kobayashi, Keio University
	14:50am-15:05am	Tsunami Impacts on Modern Cities: The Case of Kesenuma Matt Jones, Keio University
	15:05am-15:30am	Discussion on Challenges and Opportunities of Asian Megacities in the Age of Climate Change Prof. Wanglin Yan, Keio University
